

Nadia Hussain,  
Electrical and  
Computer Engineer  
(SWE Member since 2009)

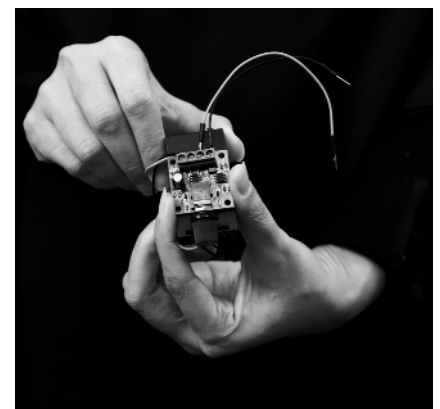

## Become part of the largest community of women in engineering and technology.

The Society of Women Engineers (SWE) is the largest advocate for women in engineering and technology. When you join or renew with SWE, you become part of both a global and local community - a network of support to help you reach your fullest potential on your journey in engineering.

*“SWE provides the resources that I need to get ahead in my career, and connects me with a network of like-minded members willing to help each other out.”*

### MEMBER BENEFITS:

- ☑ A Network of 40,000+ Members
- ☑ Affinity Groups
- ☑ Education and Professional Development
- ☑ Leadership Development
- ☑ Global and Local Events
- ☑ Awards and Recognition Programs
