SWE Invites you to the world’s Largest Conference For Women Engineers!
Use our Chart to Find the Best Program(s) for You

WHAT, WHEN AND WHERE

Invent It. Build It. –
Saturday, November 7th, Ernest N. Morial Convention Center, New Orleans, LA

SWENext High School Leadership Academy (SHLA) –
Friday, November 6th & Saturday, November 7th, Ernest N. Morial Convention Center

STEM Curious
... I want to learn more about engineering.

Invent It. Build It. High School Girls Program
Visit engineering exhibits, colleges & companies. Network with women engineers & build with other girls.

STEM Involved
... I do STEM activities & I’m thinking about a career in engineering.

SWENext High School Leadership Academy (SHLA)
Day 1: SWE leadership training, college advice, industry tours, the largest career fair for women engineers & the opportunity to experience the SWE community firsthand.
Day 2: Invent It. Build It.

STEM & SWENEXT Involved
... I’m a SWENext member, I do STEM activities & I’m interested in becoming an engineer.

SWENext Awards
All award recipients will attend Invent It. Build It. & SHLA.

SWENext Global Innovator Award (Grade 12)
Recognizes the outstanding young women shaping the future of SWE. These students exemplify intellectual curiosity, enthusiasm & leadership in the STEM community for women.

SWENext Community Award (Grades 9-11)
Recognizes girls in grades 9-11 who are actively interested in STEM & doing something in their community about it.

ADULT ADVOCATES (PARENTS, GUARDIANS, EDUCATORS)

Join us for our Outreach EXPO filled with exhibitors from colleges, camps, companies & other STEM organizations.

SWE MEMBER

INVENT IT. BUILD IT. VOLUNTEER
Make a difference in the life of an aspiring engineer! Opt in as a Volunteer when you register for WE20. we20.swe.org
