

BECOME PART OF THE SOCIETY OF WOMEN ENGINEERS!

SWENext is a way for students to become part of the Society of Women Engineers as a student through the age of 18. Become part of SWE and #BeThatEngineer! Joining is free. Any student 13 or older can become a SWENext. For those younger than 13, a parent will need to be the primary contact.

To join SWENext, visit swenext.swe.org

SWENext Clubs

Girls can form a club and get to work on any project they want!

SWENext Awards

Be recognized for achievements in engineering and community leadership.

Invent it. Build it.

SWE's flagship hands-on engineering experience for 6-12th grade students.

SWENext DesignLab

Find out when our regional engineering events are coming to your city.

Scholarships

For the 2019-2020 academic year, SWE has awarded over \$810,000 in scholarships.

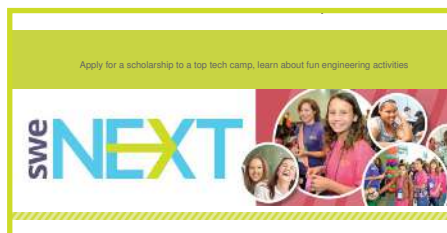

Resources

SWE is always building a trove of STEM resources for girls to get ahead.

Link up with an engineer near you

SWENext offers opportunities for girls, families and educators to connect with female engineers on a local level.

SWENext Newsletter

Dig into our SWENext Newsletter Archives and find past news on engineering.

Engineering activities

SWE offers various hands-on engineering activities for students on every level.
