#Renew. #Relaunch. #Redefine.

A VIRTUAL EVENT SERIES FOR COLLEGE STUDENTS
Hosted by the Society of Women Engineers

Presentations followed by opportunities to connect with women in STEM!

Nov. 3 @ 4:15 to 6 pm CT
Co-hosted with the Pioneer Valley Women in STEM
#Renew with Dr. Beronda L. Montgomery. Did you know that we can learn a lot of life lessons from studying how plants adapt to their environment?

Nov. 17 @ 5:15 to 7 pm CT
#Relaunch as you consider how you can land your dream career. Kate Gunderson did - from small town girl to Aerospace Engineer!

Dec. 8 @ 5:15 to 7 pm CT
#Redefine the image of STEM with Dr. Korie Grayson. This is what a scientist looks like. Period.

Win SWE Swag!

Come as you are! Stay as long as you want!
