

CHANGE THE WORLD

Consider a Career in Engineering or Technology!

SWE can help.

JOIN **SWE** **NEXT**

It's a way to become a part of the **Society of Women Engineers (SWE)** community before college.

AND IT'S FREE!

WHAT'S AVAILABLE FROM SWENEXT?

- Best practices on **applying for scholarships**.
- Advice on what you can do each year in high school to **prepare for college success**.
- **SWENext Awards** – honorees have an opportunity to attend SWE conferences and some will receive an all-expense paid trip to SWE's Annual Conference.
- **Invitations to STEM events** (camps, competitions, networking, etc.) hosted by SWE and its partners.
- **Leadership training and workshops** for high school students.
- **Women engineers and engineering students** to answer your questions or **become your mentor**.
- **Monthly newsletters and advice columns**, geared towards high school students.
- Opportunities to **meet other STEM-minded girls** just like you.
- A catalog of available **scholarships** for engineering school offered by SWE and partner organizations.
- **SWENext Clubs** – you can start one at your school with other SWENexters.

Become a part of SWE and **#BeThatEngineer**

- The Society of Women Engineers (SWE) is the world's largest advocate for women in engineering and technology.
- We inspire young girls to become engineers and support them with scholarships in order to help them improve the quality of life for billions of people worldwide.
