

THE SOCIETY OF WOMEN ENGINEERS PRESENTS:

# swe NEXT Invent it. Build it.

10 YEARS

## Experience the Creativity of Engineering

The best way to learn about something is to jump in and experience it—which is exactly what Invent It. Build It. is all about! Invent It. Build It. is a hands-on engineering experience for middle and high school girls with a parallel program for parents and educators. The event takes place each year at WE—the Society of Women Engineers' Annual Conference.

**Invent it. Build it. LOVE IT!**

Source: 2019 post-event survey of participating girls and adults

On average 96% of girls who have attended an Invent it. Build it. event leave with a better understanding of engineering
