Demographic Information

SWE is committed to diversity, equity, and inclusion and to ensuring that we are serving all individuals fairly and equitably. To support this continuous improvement objective, we are requesting SWE leadership complete this demographic survey. This input will be used for aggregated metrics that will guide improvement strategies and track progress towards the goal of increasing the participation and success of underrepresented groups within the society.

Gender identity and race / ethnicity data is personal sensitive information; your individual answers will never be shared with the selection committee or other SWE members and will be protected in accordance with SWE's data governance procedures. (SWE only shares personal demographic information in the aggregate.)
